

APRIL NEWSLETTER 2017

IMPORTANT NOTES

- Thanks for all of you to provide changing clothes for the children!
- We kindly ask all the parents not to bring any small toy, sticker, sweets, coins to the kindergarten. Only one cuddly toy is welcome for the nap time.
- We ask the parents, please call our office until 8 a.m. in case of absence or if the child wouldn't come to Plum Pudding for few days. (061 9200 707, info@plumpudding.hu)
- We would like to remind you that pick up your child until 5 p.m.
- Please, write your child's name into her clothes, jackets.
- Please, do not let the children open the security gate and type in the gate code.

- Please, arrive to the Kindergarten until 9 a.m. We cannot provide breakfast for those children who has arrived after 9 a.m.

FONTOS INFORMÁCIÓK

- Köszönjük, hogy váltóruhát hoznak a gyerekeknek!
- Kérjük, hogy apró játékokat, matricákat, édességeket, pénzt ne hozzanak be a gyerekek az óvodába. Egy alvós plüssjáték természetesen továbbra is behozható.
- Kérjük, hogy gyermekük hiányzását legkésőbb aznap reggel 8-ig telefonon (061 9200 707) vagy e-mailben (info@plumpudding.hu) jelezzék.
- Kérjük, hogy gyermeküket, legkésőbb 17 óráig (zárási idő) szíveskedjenek elvinni.
- Kérjük, írják bele a gyermek nevét a ruhájukba és a cipőjükbe.
- Kérjük, ne hagyják gyermeküknek a biztonsági rácsot kinyitni és a kapukódot beütni.
- Kérjük reggel 9 óráig érjenek be, ellenkező esetben nem tudunk a gyermeknek reggelit biztosítani.

- Május 5-én, pénteken 4 órakor Anyák napi műsor
- Május 31-én, szerdán 4 órától Apák napi műsor
- Június 23-án, pénteken 4 órától Ballagás

Welcome to Plum Pudding Newsletter in April! We are looking forward to have a sunny, warm and very excited month!

But first of all we would like inform you about all the activities we had in March! Even the first days of March were interesting... we have talked about fire, water and air. That was our first project of the new season.

The first topic of this project was the **FIRE DAY**, and it started with a lovely wedding. Harry married Kati, and the couple had lovely bridesmaids. Of course everyone dressed in red, just like the color of the fire... (how is it possible??? ... Our imagination is the limit!) And the day just went on with interesting discussions, puppet shows, stories & songs. For example: Do you know what to do if there's a fire in your house? Does your family have a fire escape plan? What does a smoke detector do? How does it help to keep you safe? We all checked the fire alarm in the kindergarten, and talked about what to do in case of fire. And the three magic words, stop, drop, roll. We practiced that during the gym session. We talked about Plum Pudding's fire escape plan, and we found all our fire alarms on the ceilings. The children made paper collage representing fire – those pieces of art could be seen on the doors of the first floor.

Also our **WATER DAY** seemed to be a big hit. Through the stories and other activities we talked about where does water come from, its appearance on the earth. It is in rivers, lakes and oceans. When the sun heats the water in the rivers, lakes, and oceans, the water turns into clouds. We discussed why all living things (plants and animals) need water to live. We drink water every day. Fish live in water. Plants need to be watered. What happens when you forget to drink water? All these questions got answered. We tried to show the children, that water is a vital thing in our life to improve our health and to survive.

And last, but not least we talked about the air. The **DAY OF THE AIR**. How can we teach toddlers and preschoolers about something that is hardly seen? Teaching children about air can be a difficult task since air is relatively invisible. In fact, one of the few times that air is truly noticeable is when it is in the form of wind. So, we tried to do our best and we did some experiments with the children such as blew hot & cold air via hairdryer when they felt their's temperature on their skin. They watched the power of air – what could move various objects, like paper, pencil and balloon. We blew up balloons, soap bubbles, made our own DIY bubble blower, and had fun with air all day long. All these hand on observations could prove and taught children the fact, that air is a living thing and it is impossible to live without it. After all the fun, we went outside to have some fresh...air!

As you can see the walls and the doors are covered with spring pictures and crafts. Those were made during our art & prewriting activities. However, we started to sing spring and Easter songs & rhymes. We started to prepare for **Plum Pudding's Open House**, that will be held on 12th of April from 10 oam. Come and enjoy yourself!

We hope to see all the Parents on the 12th of April.

Open House from 10 am!
